

2027 TORONTO ARTS AWARDS

NEWCOMER ARTIST AWARD DESCRIPTION & ELIGIBILITY GUIDELINES

Nomination Deadline: November 3, 2026

The Toronto Arts Awards are designed to heighten public awareness of the arts in Toronto by recognizing artistic excellence and achievement. The awards celebrate artists, cultural leaders, organizations and collectives whose work contributes to the artistic and cultural life of Toronto.

The Toronto Arts Awards are presented in recognition of a body of creative accomplishment rather than for specific works or achievements. The awards are generously funded by individuals and sponsors. Toronto Arts Foundation presents these awards annually at a variety of events.

Award Description

The Toronto Arts **Newcomer Artist Award** provides micro-awards of \$2,500 to six newcomer (immigrant and refugee) artists. The award aids the integration of newcomer artists into Toronto and Canada by supporting their artistic careers. Award Selection Process: Policies and Procedures

Appointment of Awards Assessors

An award panel of up to five assessors selected by the award manager will review nominations and recommend up to six recipients for final approval by Toronto Arts Foundation's Board of Directors. Participants in each panel include practitioners of the arts, organizers, programmers, producers, curators, critics, commentators and lay specialists. Panelists must have recognized expertise, credibility, and experience along with a familiarity of the newcomer experience.

The final list of assessors is made public in the form of an announcement distributed to media and Foundation stakeholders and posted on the Foundation's website.

Details of Nomination and Selection Process

Members of the arts community and public are invited to nominate individuals and arts organizations to be considered by the assessors. Nominations must be submitted through Toronto Arts Foundation's Nomination Portal. Where appropriate, nominations may include

accompanying support material in the form of visual, audio or text-based attachments. Award assessors are precluded from participating in the nominating process.

The assessors will be informed of Toronto Arts Foundation's criteria and the unique aspects of each award.

In addition to specific requirements for each award, deliberations will be guided by the following assessment criteria:

- meeting eligibility requirements as detailed above
- strength of the candidate's artistic goals and objectives and/or future potential
- demonstration of the impact on the artist's current artistic practise
- contribution to the development of arts and culture in Toronto

The assessors endeavor to reach unanimous decisions in its selection process. If unanimity is not achieved, a decision may be reached by majority vote. All deliberations are strictly confidential.

Following deliberations, the assessors will recommend up to 6 recipients for the award. The list will be made public in advance of the official awards presentation. The recipients will be celebrated on the day of the official awards presentation event.

Conflict of Interest

A conflict of interest refers to a situation in which private interests or personal considerations may affect an award assessor's judgment in the assessment process.

Specifically, a conflict of interest exists where an assessor has a financial interest in the success or failure of a candidate; has a personal interest in a specific candidate or has any other reason which makes them unable to objectively evaluate the candidate.

If during the assessment deliberations, any assessor has a conflict of interest, that person is expected to declare such conflict and withdraw from the selection/voting process.

Toronto Arts Foundation reserves the right to amend these Policies and Procedures, without notice to any party.
